14-Apr-17	Good Friday
17-Apr-17	Easter Monday
22-May-17	Victoria Day

About the Infinity School Calendar

Infinity School is committed to creating a peaceful learning environment designed to promote ongoing student growth. We follow a ten-and-a-half month calendar, which allows for our students to have extended rests throughout the year while maintaining their interests, retention, and love of learning.

Fun and interesting programs (separate from the school) will be made available during our holiday and break times for those who are interested. Examples of these are: Arts, Mad Science, Drama, Music, Sports, Robotics, and Coding.

As our program is student-oriented, there is flexibility if your family needs to take your child(ren) out of school for something like a family vacation, urgent situation, or competition if your child is involved in elite sports. We will work with your child(ren) to stay on their learning path while they are away.

Daily School Hours:

Rolling Drop-Off between 8 and 9am
School begins at 9am and finishes at 3:15pm
Special programming between 3:30 and 5pm

You are invited to pick up your child at 3:15pm or have him or her stay for our special programming. After-school care separate from the special programming is available as needed -- please speak with us about your needs and the additional costs.

We are in the process of booking the special programming based on our founding year enrollment numbers and interest. In the mean time, we can let you know the areas we are looking to benefit from during this time:

Chess Club
First LEGO League
Choir
Arts Programs from Community Arts Professionals
